

Call for Abstracts
For the Annual Meeting of the
Rocky Mountain Regional Neuroscience Group
May 28, 2009

Plan to attend the annual meeting of the Rocky Mountain Regional Neuroscience Group (RMRNG) and the A.R. Martin Lecture on the Fitzsimons Campus of the University of Colorado at Denver and Health Sciences Center, May 28th, 2009. Featuring:

Keynote Lecturer: Ken Catania
Associate Professor of Biological Sciences, Vanderbilt University

LECTURE: TBA

A.R. Martin Lecturer: Walter Stuhmer, Ph.D.

Professor, Dept. Molecular Biology of Neuronal Signals
Max-Planck-Institute for Experimental Medicine

“Structure-voltage Relationships of Voltage-gated Channels: More Than Just Channels?”

ABSTRACT Deadline – May 8th Presentation of new posters or those prepared for other national meetings are welcome! This is an excellent opportunity to exchange ideas with your regional colleagues and for students and fellows to present their work.

Deadline to apply for PRIZES – May 8th There will be cash prizes for best student/fellow abstracts and posters!! Speakers for a Student/Fellow Symposium will be selected from submitted abstracts by a committee composed of representatives from the participating regional Universities. To enter the oral abstract contest, submit your abstract with a nomination letter from your advisor indicating the importance of the work to the field. **Submit your abstract and nomination letter to:** <http://www.uchsc.edu/RMneuro/> **Admission: Pay dues to RMRNG (\$10/faculty, \$5/postdocs, \$3/students).** Send a CHECK payable to Rocky Mountain Regional Neuroscience Group to: Mellodee Phillips, UCD, Mail Stop 8315, 12800 E. 19th Ave., Aurora, CO 80045 or bring it to the Neuroscience Program office, RC1 North Tower, Room 7107. **Dues must be paid in advance by May 20th.** **You will need to indicate if you would like a lunch at the time of registration.**
