

# AbleGames 2009

## Computer Donations Accepted for first annual Adapted Computer Competition for kids with disabilities

### Minimum Requirements:

- Pentium IV  
(2.4 GHz or faster)
- 512 Mb Memory
- Monitor, keyboard and mouse
- Power Cords
- Windows Software CD

If you or your company has computers that are no longer being used, then please consider donating them for this event. Your donation can open a world of opportunities for these kids! We have staff volunteers who can pick up, clean and repair the computers; all you have to do is call (303) 315-1280. All donations are tax deductible! Benefactors will also be recognized during the event.

### Other items you can donate...

Trophies  
Lunch  
T-shirts  
Adaptive technology
