University of Colorado Denver

# Initiative for Maximizing Student Diversity (IMSD)

Are you curious?

Do you like science?

Can you see yourself working with world-class researchers?

The IMSD program will help YOU

- ❖ Earn money and learn cutting-edge lab techniques
- ❖ Succeed in undergraduate and graduate school
- ❖ Prepare for a career in biomedical research

For more information or to  
request an application  
form, contact

Julie Westerdahl
