

4th Annual Colorado

Women's Cardiovascular Health Symposium

Saturday, February 4, 2006

University of Colorado at Denver and Health Sciences Center
Fitzsimons Campus
Research Tower North Auditorium

Presented by:
Center for Women's Health Research
Divisions of General Internal Medicine
and Cardiology
University of Colorado School of Medicine

Sponsored by:
University of Colorado School of Medicine
Office of Continuing Medical Education

General Information

This program is designed to meet the educational needs of Physicians, Physician Assistants, Nurse Practitioners, Pharmacists, Nurses, Medical Students, Cardiac Rehabilitation Specialists, Diabetes Educators and other individuals involved in cardiovascular health.

Accreditation

The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Colorado School of Medicine designates this educational activity for a maximum of 4 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Learning Objectives

Upon completion of this course, participants should be able to:

1. Recognize the state of knowledge about cardiovascular disease in women of minority status
2. Discuss new treatments for obesity in women
3. Evaluate the diagnosis and treatment of peripheral arterial disease in women
4. Analyze the status of stroke diagnosis and treatment in women
5. Discuss hypercoaguable states in women
