

4th Announcement

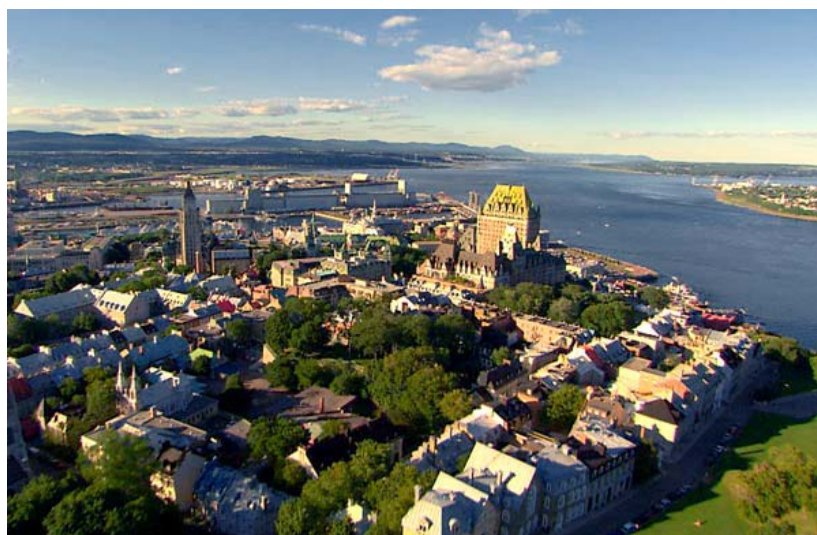

11th Symposium of the
International Diabetes Epidemiology Group

*Preceded by a one day IDEG Training Program
"NEW FRONTIERS IN DIABETES EPIDEMIOLOGY"*

*Organized in Partnership with the
International Chair on Cardiometabolic Risk*

<http://www.ideg.net/> • <http://www.cardiometabolic-risk.org/>

*Le Château Frontenac, Québec City, Canada
October 15-18, 2009*

*Official Academic Satellite Symposia of the 20th World Diabetes Congress Montreal,
Canada, October 18-22, 2009*

<http://www.worlddiabetescongress.org/>

TOPICS - IDEG 2009

- *Diabetes in Indigenous populations*
- *Global Type 1 DM – increasing where and why?*
- *How does central adiposity drive metabolic risk?*
- *Recent advances in genetic epidemiology and diabetes*
- *Prevention of type 2 DM – challenges of implementation*
- *A global & South Asian perspective: does relative or absolute poverty influence diabetes risk?*

IDEG Training Program and Main Conference participation is suitable for diabetes epidemiologists at all levels of experience and training!

IMPORTANT DATES

**APPLICATIONS FOR TRAINING PROGRAM NOW CLOSED
MAIN ABSTRACT SUBMISSION NOW CLOSED**

OCTOBER 11, 2009: DEADLINE FOR HOTEL RESERVATION

CONTACTS

Information: <http://www.uchsc.edu/misc/diabetes/IDEG/idegmtgs.html>

Registration and Housing:

<http://www.uchsc.edu/misc/diabetes/IDEG/idegmtgs.html>

Training Program Application:

Sanofi aventis

PROGRAM – 11th Symposium of IDEG

Wednesday, October 14, 2009

- 15:00 – 19:00 Registration for the Diabetes Epidemiology Training Course
- 19:30 Reception and Dinner for the Training Course

Thursday, October 15, 2009

- 08:30 – 17:00 Diabetes Epidemiology Training Course
- 15:00 – 19:00 IDEG Meeting Registration
- 19:00 Reception and buffet dinner for IDEG Meeting

Friday, October 16, 2009

- 08:30 – 09:15 Plenary Session 1
What have we learnt from studying diabetes in Indigenous populations ?
Speaker: Stewart Harris
- 09:15 – 10:45 Oral Session 1 – Descriptive epidemiology
- 10:45 – 11:15 Coffee break
- 11:15 – 12:15 Poster Session 1
- 12:15 – 13:15 Lunch
- 13:15 – 14:00 Plenary Session 2
Type 1 DM – is it increasing and why?
Speaker: Jaakko Tuomilehto
- 14:00 – 15:15 Oral Session 2 – Type 1 diabetes, studies in children and prediction of diabetes
- 15:15 – 15:45 Tea Break
- 15:45 – 16:45 Poster Session 2
- 17:00 – 18:00 Peter Bennett Award Lecture:
Diabetes Epidemiology - The Path I have Followed Lecturer:
Nan Tajima
- 19:30 Dinner

Saturday, October 17, 2009

08:00 – 08:45 Plenary Session 3
Central adiposity and metabolic risk
Speaker: JP Després

08:45 – 10:00 Oral Session 3 Obesity, lipids and type 2 diabetes

10:00 – 10:30 Coffee Break

10:30 – 11:30 Poster Session 3

11:30 – 12:15 Plenary Session 4
Recent advances in genetic epidemiology of type 2 diabetes
Speaker: James B Meigs

12:15 – 13:00 Lunch

PM

13:00 – 14:00 Oral Session 4 Genetic epidemiology and prediction

14:00 – 14:45 Plenary Session 5
Global perspective on influence of relative and absolute poverty on diabetes risk
Speaker: Ambady Ramachandran

14:45 – 15:15 Tea Break

15:15 – 16:15 Oral Session 5 Aetiology of type 2 diabetes

16:45 Departure for walking tour of Québec City followed by bus tour to a Québécois Dinner at a Cabane à Sucre

Sunday, October 18, 2009

09:00 – 09:45 Plenary Session 6
Prevention of type 2 DM – challenges of implementation.
Speaker: Robert Ross

09:45 – 11:15 Oral Session 6 Prevention of type 2 diabetes and its complications

11:15 – 11:30 Coffee Break

11:30 – 12:15 IDEG Business Meeting

Closure of IDEG Meeting

12:15 Lunch

PM

14:00 Departure for main IDF Congress in Montreal

IDF 2009
MONTREAL

International
Diabetes
Federation

20TH WORLD DIABETES CONGRESS
18 - 22 OCTOBER 2009

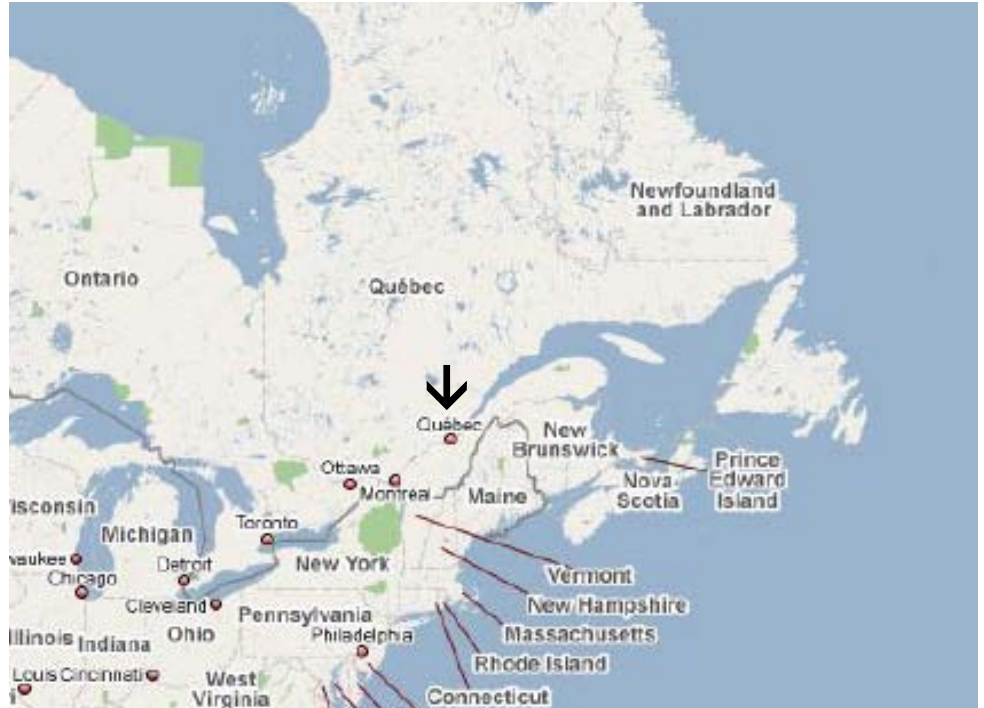

ACCESS to Quebec City IDEG/ICCR 2009

Quebec City is located 20 km (12 miles) of the **Quebec Jean Lesage International Airport** (<http://www.aeroportdequebec.com/Html/en-ca/index.shtml>) - approximate driving time is 20 minutes to Meeting/Hotel site.

Quebec City is located 275 km (170 miles) of the **Montreal PE Trudeau International Airport** (<http://www.admtl.com/passager/home.aspx>) - approximate driving time is 3 hours to Meeting/Hotel site.

<http://maps.google.ca/maps?hl=fr&q=A%C3%A9roport+de+Qu%C3%A9bec&ie=UTF8&split=0&gl=ca&ei=4V05SZydJ42yNNOK4J0I&ll=46.800059,-71.367187&spn=40.633199,78.75&z=4>

Driving directions

1. From Quebec Jean-Lesage Airport

Route de l'Aéroport on to Freeway 540 south (Boul Duplessis), at the end of 540 south, exit Boul. Laurier

Boul Laurier becomes Grande Allée and then rue St-Louis (inside old city)

The Fairmont Le Château Frontenac is at the end of this street on the right-hand side

2. From the West on South Shore (New York border, Vermont border, Boston, Montreal)

From New York (10 hours), I-87 north, becomes Fwy 15 north at the border, to junction with 20 east

From Boston/Vermont (6 hours), I-91 north, becomes fwy 55 north at the border, to junction with 20 east

From Montreal (2 ½ hours), 20 east to left hand exit 312-N (73 north, Quebec)

73 north to St-Lawrence River, crossing on Pierre Laporte suspension bridge

1 km (0.6 mile) after bridge, 3rd exit, number 134-E, for Boulevard Laurier

Merge on Laurier east which becomes Chemin St-Louis, Grande Allée and rue St-Louis,

Fairmont le Château Frontenac is the last building on the right hand side

Train or bus from Montreal: 2 1/2 hours

Transport to IDF meeting in Montreal

A transport by bus will be available from Fairmont Château Frontenac Hotel to IDF meeting on October 18, 2009. You may book a seat for 25 \$CAD at the registration process, available only if booked by a minimum of participants.

GENERAL INFORMATION

REGISTRATION:

The registration fees cover 3 ½ days of meeting:

welcome reception and buffet
lunches and breaks
1 dinner gala
1 social event with dinner

Professionals

	LATE REGISTRATION FEE After August 15, 2009
All Delegates	300 \$CAD
Accompanying Person	80 \$CAD

Students

	LATE REGISTRATION FEE After August 15, 2009
Students selected for training course	0 \$CAD
Students attending IDEG-ICCR satellite only	150 \$CAD

www.cardiometabolic-risk.org
for registration

HOTEL:

Accommodation fee at the congress hotel: 209 \$CAD/night breakfast included

******Accommodation deadline is October 11, 2009***

HOTEL/MEETING SITE

Fairmont Le Château Frontenac

1, Carrières Street Quebec (Quebec) G1R 4P5

Tel : 418 692-3861 Tel : 1-866-540-4460 Fax : 418 692-1751

Email : chateaufrontenac@fairmont.com

http://www.fairmont.com/EN_FA/Property/LCF/Index.htm

Professionals

Room fee: 209 \$CAD/night including breakfast

Students

Students selected for training seminar

Room for October 14-18, 2009: no charge

Students attending IDEG-ICCR satellite only

October 15-18, 2009

Room fee: 209 \$CAD/night including breakfast

***Click here to book
accommodation
for IDEG-ICCR***

CURRENCY

1 \$CAD = 0.92 \$USD (September 2009)

1 \$CAD = 0.63 € (September 2009)

WEATHER

Quebec City has a humid and continental climate and in October weather varies from 1°C to 12°C. This period is called “*Été des Indiens*” (Indian Summer) with beautiful autumn colors.

SHOPPING

The Fairmont Château Frontenac is in the heart of the Old-Quebec and a lot of typical shops are walking distance from the hotel.

International Diabetes Epidemiology Group

*Organized in Partnership with the
International Chair on Cardiometabolic Risk*

Training Course

October 14th-15th, 2009

VENUE: Le Château Frontenac, Quebec City, Canada

**One day workshop and tutorials during the
11th Symposium of the International Diabetes Epidemiology Group**

NEW FRONTIERS IN DIABETES EPIDEMIOLOGY:

Exposure: Visceral fat, physical activity

Analysis: Genetic epidemiology, splines and change point analysis

Intermediate Phenotypes: Vascular function

Outcomes: Administrative data, developing countries

PROGRAM

Wednesday, October 14th

Afternoon Registration

1930 Opening dinner

Thursday, October 15th

830-900 Introductions and welcome

900-1000 Session 1: New methods for exposure measurement in diabetes

1.1 Methods for measuring visceral and subcutaneous adipose tissue
JP Després, Quebec, Canada

1.2 New approaches for assessing physical activity.
NJ Wareham, Cambridge, UK

1000-1030 Facilitated group discussion

1030-1100 **Coffee break**

1100-1200 Session 2: New analytical approaches in diabetes epidemiology

2.1 Genetic epidemiology of diabetes: new analytical approaches
James Meigs, Boston, USA

2.2 New methods in analyzing diabetes epidemiology studies (classification, splines and change point analysis)
Beverley Balkau, Villejuif; France

1200-1230 Facilitated group discussion on this topic

1230-1330 **Lunch**

1330-1430 Session 3: New approaches to assessing outcomes in diabetes studies

3.1 Methods for measuring large & smaller arterial function & their validity
Kennedy Cruickshank, Manchester, UK

- 3.2 Epidemiologic studies of diabetes using administrative databases: examples from Canada.
Jeff Johnson, Edmonton, Canada

1430-1500 Facilitated group discussion on this topic

1500-1600 Session 4: Epidemiologic studies of diabetes in developing countries

- 4.1 Observational studies
Nigel Unwin, Newcastle, UK

- 4.2 Prevention trials
Peter Bennett, Phoenix, USA

1600-1630 Facilitated group discussion on this topic

1630-1700 Final meet the professor and general discussion

1700 Close

**International Diabetes Epidemiology Group –
Training Course**

**October 14-15, 2009, Le Château Frontenac, Québec City, Canada
One day workshop and tutorials during the 11th Symposium of IDEG**

Applications for the training course are now closed.
