<sup>1</sup> Depending on the circumstances, patient care charges may be excluded or included in the assessment of F&A. Patient care charges are “excluded” from the assessment of F&A when patient services are provided by external entities (e.g. hospitals and clinics) and the services are billed directly to a sponsored project. Patient care charges are “included” in the assessment of F&A when patient services are performed in University space that is considered on-campus and the services are charged directly to a sponsored project by the campus department providing the service. See Exhibit A-2 for a listing of the general ledger account codes that are assessed F&A.
