[Do You Need to Register for the University of Colorado Denver ENS?](#)

To create a new account to receive emergency alert notifications:

1. Go to <https://www.getrave.com/login/DenverAlerts>. You will be directed to our vendor, Rave's, website.
2. Click the PINK "Join Now" button and you will be directed to the "Create Account" page.
3. To create a new account you MUST enter your UCD email address on this page in the Registration Email field or the system cannot validate that you are a UCD affiliate. You will also create a password and enter your first and last name, mobile phone number, and preferred email address (alternate address where you would like to receive alerts). Click "Next".
4. Confirm your mobile phone carrier. If the incorrect carrier is displayed choose your carrier from the dropdown list. Click "Next".
5. A confirmation email will be sent to your UCD email address. Go to your UCD email inbox and open this email. Click on the link in that email to continue the registration process.
6. A 4-digit confirmation code will also be sent to your mobile phone via text message! Enter 4-digit code on the "Confirm Mobile Number" webpage. Click "Finish".
7. Carefully read Terms and Conditions. Select checkbox reading: *I have read and agree to Rave Terms and Conditions*. Click "Submit".
8. You will be directed to your account homepage. By clicking the "My Account" tab, you can add, delete, or edit information such as username, password and alert notification devices within your account.

[EMERGENCY NOTIFICATION SYSTEM TESTING COMING SOON!!!](#)

A test of the University of Colorado Denver (UCD) Emergency Notification System (ENS) will occur each quarter for all students, staff, and faculty who have registered to receive emergency notifications. UCD Emergency Preparedness will advertise these tests and your is crucial to the long-term success of this system.
