PHYSICAL THERAPIST CASE MANAGER - HOME HEALTHCARE

Presbyterian Home Healthcare Services is a leading agency in the provision of Home Care, Hospice, Palliative Medicine, TeleMedicine and Case Management services throughout New Mexico. In addition to being the largest Home Healthcare Provider in New Mexico, we offer an environment that allows tremendous opportunity for independent practice and use of state-of-the-art technology. This is a full-time opportunity for an experienced Physical Therapist who will oversee the patient's rehabilitation program in the home setting, providing patient care and case management.

Qualifications include Bachelor's degree and educational requirements needed to be licensed as a Physical Therapist in New Mexico and to meet requirements of Home Health Medicare Conditions of Participation if necessary. One year experience in supervised clinical practice in acute care or rehab setting. Please see full description and qualifications at www.phs.jobs. Requisition #17395.

PHYSICAL THERAPIST – PRESBYTERIAN MAIN HOSPITAL

Located in Albuquerque, Presbyterian Hospital is the largest acute care hospital in New Mexico (453 licensed beds), and serves as a major tertiary medical center for the state. It operates in a mixed business and residential area at the geographic center of Albuquerque. This opportunity will allow you the opportunity to work with acute medical and post-op orthopedic patients in our fast-growing acute care/hospital and SNF settings. We have a new state-of-the-art orthopedic and spine unit including a rehab gym opening this month. Work with an excellent rehab team including PTs, OTs and SLPs who enjoy excellent working relationships with care coordinators, nurses, surgeons and hospitalists. Qualifications include Bachelor's degree in Physical Therapy. New Mexico Physical Therapy license required. Less than one year experience in physical therapy setting. Please see full description and qualifications at www.phs.jobs. Requisition #19669.
