

Physical Therapy

Opportunities in BEAUTIFUL Portland, Oregon

We are excited about the opening of our new clinic on the Westside of Portland, Oregon and we would like to invite you to join our team! Because our clinic has a great relationship with many of the area physicians, they have asked us to open a clinic in their local area. If you've ever wanted to work in a brand new state of the art clinic with great open communication with physicians who really believe in physical therapy this is an opportunity for you! This clinic has a pool, large workout area, great plush private treatment rooms and area physicians who already love our organization.

We are a locally owned & operated group of Physical Therapy clinics with a reputation with area therapists and physicians for being a leader in providing quality physical therapy. If you really want to grow long-term with a great group of people, this is your opportunity.
