Career Opportunity Physical Therapist or Physical Therapist Assistant

Recovery Zone Physical Therapy, PC, is an expanding, 100% physical-therapist-owned private practice. We offer an excellent benefit package, sign-on bonus, production bonuses, endless continuing education and mentorship program. Our clinic is housed in a beautiful, new 8100 sq. ft. facility which includes a 22" x 35" Therapy Pool.

We currently have 2 positions to fill to help us handle our growing patient load. We are looking for PT's or PTA's who are skilled in manual therapy (or willing to learn). We are looking for therapists who enjoy helping people as much as we do. Most importantly, we are looking for people who love being a PT or PTA and like the freedom to perform their craft.

Klamath Falls is located in beautiful Southern Oregon, just east of the Cascade Mountain Range. Klamath County is home to Crater Lake. The area offers excellent summer recreation including boating, rafting, camping and hiking. During the winter months, one can ski or snowboard one of the many ski areas including Mt. Ashland, Mt. Shasta and the Warner Ski Area. Housing in Klamath County is affordable, crime is low and we have great schools.

If you enjoy a small town atmosphere and are interested in joining our team, please call 541-850-8909. You may mail, fax or e-mail your resume with references to:
