PHYSICAL THERAPIST POSITION VACANCY

Sitka School District is seeking a physical therapist for grades Preschool-12. This position provides consultation, evaluation and diagnostic services for students with gross motor and sensory integration needs. Salary is competitive. We will consider full-time or part-time as a school district employee, as well as a contracted position.

Caseloads vary, but normally a therapist will have about 6 sessions per day. A combination of individual and group therapy sessions are scheduled in a typical day. Caseloads are less than most public schools, with average of 35 or less students serviced. This means that you see far fewer new students and can become familiar with the ones you serve. The therapist will schedule their own caseload. Inclusion model is normally used, with pullout when needed. Ages are 3-22, moderate-severe disabilities. There are a total of 5 schools in our district; PK-1, 2-5, 6-8, 9 – 12 and alternative 9-12.

Qualifications: State of Alaska Physical Therapist License. Professional liability insurance if hired as a contracted therapist.

This position is open until filled. Applications may be obtained by visiting the website at www.ssd.k12.ak.us, or by calling 907-966-1251. The Sitka School District is an equal opportunity employer. Alaska Natives are encouraged to apply.
