SCHOOL OF DENTISTRY**

BOARD OF REGENTS QUESTIONNAIRE

The University of Colorado at Denver requires that all applicants provide information concerning any past felony or misdemeanor records. This is a rule, not of the Dental School, but the University of Colorado at Denver system imposed by the *Board of Regents*.

While the record of a conviction would not necessarily prevent an applicant from being accepted or enrolled at the School of Dentistry, **failure** to provide information concerning such conviction would prevent matriculation or dismissal if the information were later revealed, thus indicating that the applicant had falsified the report.

In compliance with this regulation, you please sign the attached form, after correctly answering the question. Thank you for compliance with this regulation. We are pleased that you are an applicant to the University of Colorado at Denver School of Dentistry.

As required by the *Board of Regents of the University of Colorado at Denver* you must answer, sign and submit as part of your formal records the following question.
